

Thanks to the generosity of the Chamberlain Foundation, the Chapel at Camp Greenough was renovated in 2011.

The Heritage Garden is a wonderful addition to this beautiful location that offers a place for quiet reflection.

CAPE COD AND ISLANDS COUNCIL

Heritage can be defined as *an inherited lot or portion*. In Scouting, our heritage is found in the values of the Scout Oath and Law. For over 100 years, we have earned respect and admiration because of our unwavering adherence to our core values: Duty to God and Country, Serving others, and personal responsibility.

Cape Cod & Islands Council is providing a tangible way to honor this heritage. Construction is under way on a **Heritage Garden** that will be located near the newly renovated Chapel. This tranquil setting among the oaks and pines will offer a quiet place to enjoy the natural beauty of Camp Greenough while reflecting on our shared commitment to youth.

The Heritage Garden features a brick patio and benches. Other memorials that have been placed in various locations around Camp Greenough will be relocated to this site. Appropriate landscaping is being planned.

The patio will feature bricks that can be engraved to honor a Scout, Scouter, or friend of Scouting. They can be engraved to commemorate a special achievement or occasion, or simply to say thank you to a special person.

Proceeds from the sale of the commemorative bricks will be placed in a dedicated fund to be used for significant projects at Camp Greenough.
