Turkey Shoot

Scouts BSA

Leader Guide

November 6th-8th 2026

There will be more than 250 people in camp during Turkey Shoot. Here are some important reminders to help keep everyone safe, happy, and healthy!

• Parking at Camp Greenough •

All vehicles staying on camp property, whether in the main Parking Lot or at a campsite, should have a sign on the dashboard with the driver's name, cell phone number, and unit number.

When parking at/near campsites, please do not block adjacent trails or road edges. Please limit each campsite to 2 vehicles on the site during the weekend. All other vehicles should park in the parking lot adjacent to the welcome center irregardless of perceived room at a given site. **All parked vehicles must be a minimum of 5 feet off the road.** This is especially critical in the area of Scoutcraft to Crossroads to Wampanoag. Please follow the instructions of Parking Lot staff regarding appropriate parking locations.

• Unit Check-In •

Unit leaders can check-in and pick-up registration packets at the Welcome Center starting 5:30pm through 7:00pm on Friday. **Leaders must have the following information at Check-In:**

- Troop / Crew ,need to know how many participants are 11-13 years of age and how many are 14-20 years of age.

Additionally, all units must provide:

- Unit Roster listing all youth participants and adult leaders attending the event
- Activity Consent Form signed by the parent / guardian of each youth participant

Late arrival- please check in at the Admin Building if you are arriving on Saturday-

Note: Only those scouts who attend the Friday night safety briefing will be able to participate in Rifle and Shotgun activities. Participation wristbands will be distributed after completion of the safety briefing.

• Shooting Sports Safety Classes •

All Scouts BSA and Venturers,participating in Range and target activities MUST attend the Shooting Sports Safety Briefing on Friday evening. The Safety Briefing will be held at the Welcome Center and begin at 7:00pm. Unit leaders will be required to turn in a Unit Roster at the Safety Briefing in order for their Scouts to participate in the Range Activity events on Saturday. Participation wristbands will be distributed after completion of the safety briefing.

• Shooting Sports Events •

All scouts BSA scouts and venturerers can compete in the following activities:

- -Archery
- -Rifle
- -Shotgun
- -Tomahawk
- -Muzzleloaders will also be offered but only as a fun shoot at Steel Targets.
- Scouts BSA and Ventureers will use the traditional target sports activity ranges for rifle, muzzleloader, and shotgun. Archery and Tomahawks will be located at the Ballfield.
- Participant scoring is split into a Junior Division (ages 11-13) and a Senior Division (ages 14-20).
- Shotgun Shooting for the Junior Division will be a “Lucky Target” plate shoot. The Senior Division will compete in a Clay Shoot at flying targets with 12-gauge shotguns.

And Venturers• Food & Supplies •

The camp’s Trading Post will be open throughout the weekend, offering hot & cold beverages, snacks, limited hot lunch items, and a selection of Scouting and camping supplies.

• Wood for Campfires •

Split firewood should be at each site. Additional firewood is available at the Maintenance Building area. Units shall restock the wood box at their campsite after the weekend.

Changes, additions, or subtractions will be posted outside of the Admin Building. Any announcements will be made at the Friday 9:00 pm cracker barrel or at the 10:00 am Saturday Leader Roundtable.

• Scout Skill Stations •

Note: While successful completion of stations may meet rank requirements, it is ultimately up to individual unit leadership to sign off on requirements.

Note: Locations will be posted at check-in and at the Admin

First Aid-

Description- Participants can practice and become proficient in First Aid, specifically the requirements for Tenderfoot and Second Class Ranks. Older Scouts can challenge their skills in a simulated real-world scenario.

Environmental Science-

Description- Build a Working water filter that cleans potentially contaminated water using natural filtration. Note- station is designed to meet first-class rank requirement 7F.

Orienteering-

Description- Using a map and compass, complete a timed orienteering course of approximately 1 mile. Note- station is designed to meet first-class requirement 4a.

Fire Building-

Description- Build a cooking fire using natural materials. Note- station is designed to meet second class rank requirements 2a,2b and 2c.

• Awards •

Awards will be presented at 4:00pm on Saturday, November 7th, or as soon after 4:00pm that results can be tabulated. The following awards are expected to be awarded, but are subject to change:

- Archery Junior Division - First, Second, Third, Fourth and Fifth Place awards
