Turkey Shoot

WEBLOS/AOL Scouts

Leader Guide

November 7, 2026

There will be more than 250 people in camp during Turkey Shoot. Here are some important reminders to help keep everyone safe, happy, and healthy!

• Parking at Camp Greenough •

All vehicles staying on camp property, whether in the main Parking Lot or at a campsite, should have a sign on the dashboard with the driver's name, cell phone number, and unit number.

When parking at/near campsites, please do not block adjacent trails or road edges. Please limit each campsite to 2 vehicles on the site during the weekend. All other vehicles should park in the parking lot adjacent to the welcome center irregardless of perceived room at a given site. **All parked vehicles must be a minimum of 5 feet off the road.** This is especially critical in the area of Scoutcraft to Crossroads to Wampanoag. Please follow the instructions of Parking Lot staff regarding appropriate parking locations.

• Unit Check-In •

Unit leaders can check in and pick up registration packets at the Welcome Center from 5:30pm to 9:00pm on Friday. Leaders must have the following information at check-in:

- WEBLOS/AOL units should report the number of participating youth and adult leaders.

Additionally, all units must provide:

- Unit Roster listing all youth participants and adult leaders attending the event
- Activity Consent Form signed by the parent / guardian of each youth participant

Late arrival- please check in at the Admin Building if you are arriving on Saturday-

Scouts participating in BBs or archery DO NOT NEED TO ATTEND the Friday evening safety briefing. Participation wristbands will be distributed at check in.

• Shooting Sports Safety Classes •

- **All WEBLOS/AOL Scouts participating in BBs or archery will have a Shooting Sports Safety Briefing when they arrive at either the BB or archery stations.**

• Shooting Sports Events •

WEBLOS/AOL Scouts can compete in BBs and archery and participate in all four activity stations:

- BBs- Located at maintenance
- Archery- Located at the Nobadeer campsite across from the maintenance building

- BBs and archery will take place at designated ranges under range staff supervision. WEBLOS/AOL ranges are separate from Scouts BSA ranges. **There are no WEBLOS/AOL activities at the ballfield.**
- Unit leaders should escort their Scouts between activities and follow all directions from range and station staff.

• Scout Skill Stations •

Station staff will lead four activities for WEBLOS/AOL Scouts. Unit leaders determine whether participation fulfills any applicable advancement requirements.

Station locations will be posted at check-in and at the Admin Building.

First Aid-

Description: Practice basic first aid skills through hands-on scenarios suited to WEBLOS/AOL Scouts.

Environmental Science-

Description: Build a working water filter using natural materials and discuss how filtration affects water quality.

Orienteering-

Description: Use a map and compass to navigate an age-appropriate course with the guidance of station staff.

Fire Building-

Description: Learn safe fire-building principles and build a cooking fire with natural materials under adult supervision.

The camp's Trading Post will be open throughout the weekend, offering hot & cold beverages, snacks, and a selection of Scouting and camping supplies.

• Wood for Campfires •

Split firewood should be at each site. Additional firewood is available at the Maintenance Building area. Units shall restock the wood box at their campsite after the weekend.

Changes, additions, or subtractions will be posted outside of the Admin Building. Any announcements will be made at the Friday 9:00 pm cracker barrel or at the 10:00 am Saturday Leader Roundtable.

• Awards •

Awards will be presented at 4:00pm on Saturday, November 7, or as soon afterward as results can be tabulated. Awards are subject to change:

- BBs WEBLOS/AOL Division - First, Second, Third, Fourth and Fifth Place awards
- Archery WEBLOS/AOL Division - First, Second, Third, Fourth and Fifth Place awards

Prizes will be determined by organizers. All prizes are to be collected immediately following the prize giving. Turkey prizes can also be collected on Sunday morning from 7:30-8:00am.
